Ex Parte Quayle Action

This application is in condition for allowance except for the following formal matters:

The drawing sheets filed 08/09/10 have not been approved. These sheets add figures and contain two figures 59, 61 and 63. These two figure sets should be labeled A and B, respectively. For example note figures 69A and 69B. Also figure 74 is cut off at the bottom. Correction is required. Further figure 93 appears to be free hand and should be regenerated along the quality of figures 45 and 53. These deficiencies should be corrected. Finally all drawing sheets should be labeled replacement sheets and resubmitted.

The specification should be reviewed and amended to properly reference the new figures and figure numbering. For example, figures 69A and 69B should be referenced as such not as just figure 69.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
